Accommodation

There are lots of possibilities for accommodation within a five-mile radius of the venue. It all depends on whether you are looking for a comfortable room on a budget or pushing the boat out for a special weekend. If you are coming by train, there are a few Airbnb rooms in both Maidenhead and Twyford, which have good train services and restaurants, and a taxi to the venue would be easy. You might also wish to look at Henley, Marlow or Wargrave if you are making a weekend of it or coming with a non-painting partner.

Here are some suggestions, but as I have not stayed in any of them myself, I am not recommending them personally - so please check they suit your needs and budget.

I would suggest you should make arrangements for cancellation, whether that is as the result of a cancellation of a course by us or by you, and you should consider appropriate insurance. I am afraid that should I have to cancel the course, though I would refund your fee in full, I would not be able to refund any accommodation costs.
